

primary school district in that part of the village called Ellicotts mills, being in Anne Arundel connty,

And, Mr. Heard, chairman of the committee on the colored population, reported a bill, entitled, an act to authorise Lucian B. White, to take with him from this State to the State of Alabama, or elsewhere, a free coloured boy, bound to him for a term of service.

Which were severally read the first and second time by special order, passed, and sent to the senate.

Mr. Pratt, chairman of the committee on internal improvement, to which was referred, the bill from the senate, entitled, an act to incorporate the Cumberland coal minery company, reported the same with the following amendment.

Amendment proposed.

Insert after the word "company" in the fifth line of the last section the following, "not more than one cent a ton per mile for all goods and merchandise transported on said rail road, and not more than two cents a mile for all goods and merchandise transported on said rail road, and not more than two cents a mile for each passenger transported on said rail road" which amendments were severally read.

Mr. Carpenter, from the committee on education, delivered, the following report.

The Committee on Education to whom were referred the memorial of sundry citizens of the 1st and 2d election districts of Kent county, praying that the donation given to the Colleges and Academies of said county be given to Primary Schools, and also the counter memorial of the Visitors and Governors of Washington College beg leave to report, that they have given their attentive consideration to the documents referred to them, and submit as the result of their investigation, the following resolution,

Resolved by the General Assembly of Maryland, that the Donation heretefore given to Washington College, in Kent county, and the Donation given to Millington Academy, in said county, be withdrawn from said institutions, and that the said donations, viz: eight hundred dollars, be paid over to the Clerk of Kent county, as a part of the free school fund of said county, to be by him distributed to the Trustees of the Primary Schools of said county, at the same time and in the same manner that Kent county's proportion of the State Free School Fund is by him distributed, until the Visitors and Governors of Washington College erect a college or building, and carry the institution into successful o-
